

Standard Period of Non-Enrollment (SPNE) - Form

STANDARD PERIOD OF NON-ENROLLMENT (SPNE)

There are a certain set of limited circumstances when the College determines it is necessary to interrupt the sequential order of required courses and requires an academically initiated leave of absence otherwise known as a standard period of non-enrollment (SPNE).

Once the Dean determines a student's need for a standard period of non-enrollment, or the student requests a SPNE, the student will complete the SPNE letter and the Dean will complete the "Campus Use Only", which will state:

1. the date that the standard period of non-enrollment has been approved;
2. the expected return date;
3. that while the student is on a standard period of non-enrollment s/he will NOT be considered to have withdrawn;
4. that while the student is on a standard period of non-enrollment no additional charges will be generated;
5. if a student fails to return from an approved standard period of non-enrollment, s/he will be withdrawn;
6. if withdrawn, the "withdrawal date" will be retroactive to the student's last date of attendance and the "date of determination" will be the day s/he should have returned to college;
7. upon returning from a standard period of non-enrollment, s/he must return to the same point in the program from which s/he left;
8. students must meet with the financial aid department before returning to classes; and upon returning from a standard period of non-enrollment
